CUSTOMER SIGNATURE - REQUIRED for all applications. Applications submitted without signatures will not be paid.

The undersigned agrees that the stated energy efficient measure(s) was (were) completed or installed at the job site address listed above as part of the Focus on Energy Program. I have read and agree to the Terms & Conditions within this application. To the best of my knowledge, the statements made on this application are correct, and I have submitted the appropriate supporting documentation to receive an incentive.

If I am applying for SEEARP rewards, I certify that I replaced similar equipment and that the removed equipment will not be used at this or another location.

- If I completed the box above for rewards paid to businesses, I certify:
1. The number shown on this form is the correct taxpayer identification number.
 2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the IRS that I am subject to backup withholding as a result of a failure to report all interest or dividends or (c) the IRS has notified me that I am no longer subject to backup withholding.
 3. I am a U.S. citizen (includes a U.S. resident alien).

Customer Name (Please Print)	Customer Signature	Date

- A copy of the invoice or sales receipt is attached to this application.** Applications will not be processed without an invoice or sales receipt.
- Opt Out.** Periodically, Focus on Energy evaluates program energy savings by monitoring energy use prior to and after home improvements. Your signature provides Focus on Energy approval to obtain energy consumption data directly from your utility company. If you prefer not to grant Focus on Energy access to your energy consumption records, please check the "Opt Out" box.

CONTRACTOR/PLUMBER SIGNATURE

REQUIRED if installed by a contractor/plumber. Applications submitted without signatures will not be paid.

I have read and understand the attached equipment and eligibility requirements. I certify that the equipment information provided in this application is accurate and truthful. If claiming a SEEARP reward, I certify that the installed equipment replaced similar equipment and that the old equipment will not be used at this or another location.

ELIGIBILITY

1. Focus on Energy incentives are available to Wisconsin residential customers of participating utilities. See page 4 for participating utilities.
2. The SEEARP rewards are available for the replacement of existing equipment. This program is funded in part by the Wisconsin Department of Administration, Office of Energy Independence. Equipment must be purchased by the occupant of a Wisconsin residence. **SEEARP rewards are available on a first-come, first-served basis while funds last.** New equipment must be ENERGY STAR qualified and meet all other criteria listed on this application. Equipment that is replaced to receive the SEEARP reward must be decommissioned; removed equipment cannot be used at the same or another location.
3. Installed equipment must be whole-house units used for domestic hot water. Point-of-use units are not eligible.
4. A completed and signed application with a copy of the invoice or sales receipt must be delivered within 30 days of installation.
5. Submitted invoice(s) must include manufacturer's make, model number, and serial number; sales receipt(s) must include SKU#.
6. All equipment must be new; used or rebuilt equipment is not eligible for an incentive.
7. Equipment must meet efficiency levels and specification requirements. Equipment eligibility is verified through Air Conditioning, Heating and Refrigeration Institute (AHRI) Directory of Certified Efficiency Ratings Product Performance (www.ahridirectory.org) and other reliable sources. A list of qualifying equipment can be found at focusonenergy.com/waterheaters or by calling 800.762.7077.
8. Energy Factor is the overall efficiency of the water heater. Recovery Efficiency or Energy Guide rating may NOT be substituted for Energy Factor. For questions call 888.509.3247, ext. 321.
9. Equipment must be installed prior to submitting the application form.
10. Focus on Energy reserves the right to publicize your participation in this program, unless you specifically request otherwise in writing.
11. Customers or allies may not use the Focus on Energy name or logo in any marketing, advertising, or promotional material without prior written consent.
12. Rewards are only payable to the customer or the parent company; rewards cannot be reassigned to any other parties.
13. *Disclaimers:* Focus on Energy:
 - a. Does not endorse any particular manufacturer, product, or system design by offering these rewards
 - b. Is not responsible for any tax liability imposed on the customer as a result of the payment of rewards
 - c. Does not expressly or implicitly warrant the performance of installed equipment (contact your contractor or plumber for detailed equipment warranties)
 - d. Is not responsible for the proper disposal/recycling of any waste generated as a result of this project
 - e. Is not liable for any damage caused by the operation or malfunction of the installed equipment
14. Focus on Energy reserves the right to change or discontinue this program at any time. The acceptance of program applications is determined solely by Focus on Energy.
15. Focus on Energy reserves the right to refuse payment and participation if the customer or contractor violates program rules or procedures.
16. A Focus on Energy representative may contact you to schedule a site visit to verify that qualified equipment was installed.
17. Customers who receive a reward from the Focus on Energy Water Heating Program cannot receive a reward on the same piece of equipment through other Focus on Energy programs.
18. Incentives may be available for projects for multi-family and business customers. If you are installing equipment in a multi-family (4+ units) building or business, please download the appropriate application for incentives at focusonenergy.com/financialincentives or call 800.762.7077 to obtain a copy.
